### 2nd June 2022

### Principal's Report

Celebrating Education Week last week gave us the opportunity to showcase and celebrate excellence in education through our special edition newsletter and a variety of clips and information on our Google Classrooms. Our students enjoyed preparing and sharing their learning and achievements with family members and friends. I would like to thank everyone who took the opportunity to visit our Lamont Book Fair which was set up in our school library. This was a great opportunity to purchase some books for your children to enjoy. Thank you also to those people who have purchased a book and then kindly donated it to our school library collection. We will be very pleased to acknowledge your generosity with a note inside the book. Any funds that are raised through our Book Fair are used to purchase further titles that can be placed in our library for students to read and borrow. Thank you to our Librarian, Miss McMillan for organising and operating the Book Fair throughout the week. Thank you to everyone for sharing in the celebration of 150 years of Public Education.

Last Wednesday, May 25<sup>th</sup> we had 39 students representing PLPS at the District Cross Country at Toomuc Recreation Reserve. The students in the 9/10 year age group ran 2km and students in the 11 and 12/13 year age group ran a 3km course. After a wet weather postponement, the Divisional level for Cross Country will be held tomorrow. Pakenham Lakeside Primary School will be represented by a number of our students. Congratulations to Liam Rezen Kersevan, Henry Nellen, Jackie Michael, Jordan Brough, Justin Oroma, and Cooper Wilson, we wish them all the best in their events. Thank you to Mr Vann and Mr Seton for their organisation leading up to these events, as well as the parents who assisted with transport and supported our runners at both events.

Tomorrow, June 3<sup>rd</sup>, we farewell one of our long standing staff members, Elise Dickson. Elise will be commencing her maternity leave. Val Booker and Aisha Phillips will continue the responsibilities of the home group teacher for 2D. I would like to thank Elise for her many contributions to the educational programs at PLPS and wish her all the best as she begins her family.

At PLPS we are committed to improving our students' knowledge and understanding of cyber safety in an increasing digital world. As part of our commitment to supporting students and their families, last week we invited Leading Senior Constable Sharon Patterson from the Cardinia Youth Resource Office, Victoria Police, to present some information to our students in years 5 and 6 around the topics of awareness of digital technologies, social media and precautions they can take to ensure their safety when interacting online. The students were very engaged and the presentation prompted many conversations and questions. Links have been provided below for two valuable sources of information recommended to assist parents in understanding online safety for their children. Both of these websites have resources including; webinars, videos, books and information sheets to help parents and carers talk to children about online safety. Please take the time to view these resources to obtain accurate and up to date information.
