16th June 2022

Principal's Report

On behalf of our staff, I would like to thank those parents who have taken the opportunity to participate in our parent/teacher conversations today. Your commitment to your child's learning and education is much appreciated by our staff. Well done to our students in years 3 to 6 who participated in the student-led conferences with their parents and teacher. This process enables our students to share their successes, accept responsibility and to be accountable for the learning they have participated in during our first semester of school. Our parent/teacher conversations are also an important communication tool that enables teachers, parents and students to reflect on the student's academic growth and their personal development, as well as having a clear understanding on what the key learning directions and priorities are for semester 2, 2022.

On Friday, June 3rd Pakenham Lakeside Primary School was represented by a number of our students at the Divisional level for Cross Country. Congratulations to Liam Rezen Kersevan, Henry Nellen, Jordan Brough, Justin Oroma, and Cooper Wilson who then went on to compete at the Regional level Cross Country. This event was held in Hastings yesterday. Well done to all our runners in reaching this level of competition.

Throughout term 2 many of our Year 6 and 5 students have been participating in the Interschool Sport program. Tomorrow June 17th, weather permitting, the students will have the opportunity to compete in the Pakenham District Lightning Premiership Day. We will have teams competing in the round robin events in the following sports; Soccer at IYU Reserve, Pakenham, Netball at Cardinia Life Sports Stadium and Teeball and Football at Toomuc Reserve. We wish all our teams the best of luck in this day long competition. Parents are encouraged to come along and support our teams.

As we enter the last weeks of second term, the dates for our Years 2, 3 and 4 Dance Concert are drawing closer. This event will comprise of three performances being held over two days at the Cardinia Cultural Centre. Monday, June 20th has 2 performances: one at 11:30am and the other at 7:00pm. The third performance is the evening of Tuesday, June 21st, commencing at 7:00pm. Our students are currently preparing at rehearsals with great energy and enthusiasm under the direction of our Performing Arts teachers, Ms Dahmen and Ms Reddan. Once again parents and families have supported our Performing Arts program through the provision of

costumes for their children and the purchase of tickets. The performances for both evening sessions are already sold out, but there are tickets remaining for our matinee performance on Monday morning. We look forward to another great concert from our students.

This year our school photos will be taken on Wednesday, July 27th. All orders for school photos will need to be purchased online, through Compass or by phoning MSP directly. Information detailing the photo packages available, the process for ordering and the timelines that need to be adhered to, will be communicated to our families on Monday, June 20th.

On Friday, July 29th (week 3, term 3) our staff will be involved in a professional learning day with Bronwyn Ryrie Jones. Students do not attend school on this day. Our OSHClub will operating a full day program for our families who require the service on this day.

With term 2 school holidays fast approaching, I would like to advise all families that OSHClub is again providing a vacation care program for our students at PLPS. Please note that only students who are enrolled at our school will be eligible to participate in the vacation care program. Parents who are currently using the service will receive information from OSHClub. For parents who are not currently using these services, a flyer outlining the vacation care program will be posted on Compass over the coming days. Any inquiries may be directed to OSHClub on 0438 559 017.

Term 2 will conclude on Friday, June 24th. Please note that school will finish at the earlier time of 2:15pm after our whole school assembly (weather permitting). Parents are requested to make the necessary arrangements to have their child collected at this earlier time. Our OSHClub after school program will be operating from this earlier time for those parents who require assistance.

Term 3 will begin on Monday, July 11th. I wish everyone a safe and relaxing holiday break.

Kerrie Kingston-Gains

2023 Prep Enrolments

Enrolments for Prep 2023 are now open.

To register for a school tour and/or to receive an enrolment pack please call 5940 9532 or visit www.plps.vic.edu.au or the school office.

Learning in the Year 2 Jungle

Science

In Science, the Year 2 students designed and created boats that could float and move, using their knowledge of toy science.

We also observed and conducted lots of science experiments, like elephants toothpaste and crazy currants.

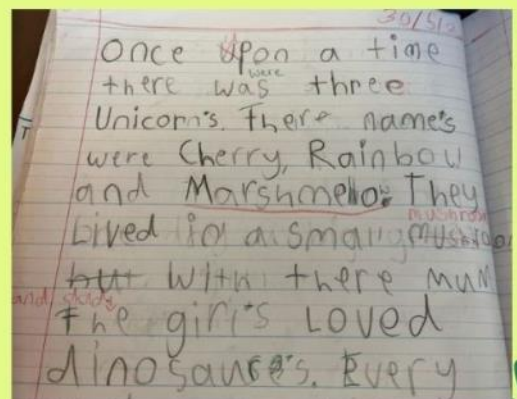

Writing

Students have been working very hard to plan, draft, edit and publish narratives based on familiar fairy tales like The Three Little Pigs and Little Red Riding Hood.

Aim For The Stars

The aim of our qualified educators is to get your little ones ready in literacy and numeracy using real life situations. This ensures that your child will be ready to take full advantage of the opportunities that lie ahead of them.

Your "Little Star" is Our "Little Star"

Little Stars provides high-quality childcare, early learning and kindergarten services. Operated by well experienced owners, actively involved at the centre - our focus is to treat and respect your child as we would our own as they start their learning journey. Our goal is to nurture and educate each child in a clean, secure and loving environment providing the highest standards available.

Let Them Be Little

We focus on play-based learning, making it fun for the children. With modern educational toys and a large outdoor play area, we strive to make our centres feel like a home away from home for your little one.

Kindergarten Program

In preparation for school, we provide a play and inquiry-based kindergarten program - a philosophy connected to Reggio Emilia. This approach to teaching, learning and advocacy in its most basic form is a way of observing what children know, are curious about and what challenges them. Educators record these observations to then provide developmentally appropriate ways to help children expand their academic and social potentials. We offer a government approved kindergarten program with qualified and passionate educators to prepare your child for their transition into school life.

Childcare Subsidy Optimisation

We respect that every family's situation is different; hence we are here to help. You can choose from our nine-hour, ten-hour or full day sessions and make the most of this service.

Nutritionally Balanced Meals

These healthy meals are provided throughout the day, with special attention to religious or cultural requirements. Our menus are compiled by a nutritionist, with the growing stages of child in mind.

Why Little Stars?

- NO enrolment fee
- Privately owned long daycare centre
- Structured 3 year and 4 year kindergarten programs
- Casual bookings
- New software system for parents to interact
- Holiday program for school age children
- Nutritious meals for children
- Free uniforms for kindergarten children
- Free extra-curricular activities
- Flexible drop off and pick up times
- Bilingual educators
- School readiness program
- Excursions/incursions for all age children
- Morning snacks available for parents
