## Principal's Report

Earlier this week our year 5 and 6 students treated our school community to a wonderful and entertaining musical performance. This year our students performed "Shrek Jr" to two very appreciative audiences at the Cardinia Cultural Centre. Once again the performances put on by our students reflected their commitment and the preparations which have been organised by our Performing Arts team of Ms Dahmen and Ms Reddan. The performances were the culmination of many hours of preparation by our children and staff. Putting on a performance of this quality is a fantastic effort by all involved. As well as the people mentioned above, other staff members and parents have assisted with props and costumes. Thank you also to parents who assisted with rehearsals and other preparations. Thank you also to our parents and families for your continued support of our Performing Arts through your provision of costumes for the children and your purchase of performance tickets. Congratulations to all involved for their efforts and contributions towards another wonderful musical performance by our students.

Congratulations to all our students who competed at the District Athletics on Friday, September 2<sup>nd</sup>, an enjoyable day was had by all. Our athletes represented our school honorably, both in their competitive efforts and the manner in which they conducted themselves out in the wider community. From this event, nineteen of our athletes earned themselves a place to compete in twenty-two events at the Division Athletics. Congratulations to the following students who represented our district at the division athletics;

Year 6 - Isabelle Andrews, David Barattini, Humza Jawad, Monique Ketting, Alicia Nellen, Justin Oroma, Tiahna Ross, William Tuck, and Cooper Wilson.

Year 5 - Nicholas Barattini, Jordan Brough, Darcy Hansch and Willow Waters.

Year 4 - Natasha Kirkham, Abby Loftus, Peyton McCandless, Henry Nellen, Briley Steur and Hannah Wilson.

This event was held yesterday, Wednesday, September 14<sup>th</sup>. A fabulous day was enjoyed by all. The students competed well with nine students qualifying for the Regional Athletics Carnival and many more being placegetters. The Regional Athletics will be held on Wednesday, October 19<sup>th</sup> and we wish all our competitors the best of luck.

On Tuesday last week, our Year 5 students participated in their Science Discovery Dome incursion. Starlab Victoria set up a large inflatable dome and use digital projections, animations, video clips and modelling to replicate our skies in order to extend the knowledge and learning of our students. They thoroughly enjoyed seeing and hearing about the elements and structure of the different planets and the way in which the forces of gravity work.

Last month four of our students, Shunuo Tan (Yr 3), Jovan Vukasin (Yr 4), Jappnam Singh (Yr 5), Sinuki Dissanayake (Yr 6) competed at the Lions Club Junior Public Speaking Competition. All students were outstanding representatives of PLPS and delivered their speeches confidently. Congratulations to all our students for putting themselves forward and participating in this event.

The Premier's Reading Challenge for 2022 concluded on September 2<sup>nd</sup>. I would like to congratulate all 466 students who participated in this year's program and completed their reading targets.

Participating in the Reading Challenge is a wonderful way to develop a love of literature and enjoy recreational reading. I would also like to thank Miss McMillan for once again overseeing this project, and providing this opportunity for our students. She has also provided information to assist our students with their book choices throughout the challenge. We look forward to receiving the certificates that recognise the achievements of our students and distributing them to the successful participants.

Tomorrow is our final day for term three and it has been lovely to have a term full of camps, excursions, incursions and sporting activities, as well as lots of learning taking place at school. Please note that our school term will finish at the earlier time of 2:15pm. Parents are required to make the necessary arrangements for their children to be collected at the earlier time. Our OSHC program will be operating from the earlier time if parents require this service. Information is available by contacting 0438 559 017.

We hope everyone has a safe and relaxing holiday break. Term four will begin on Monday, October 3<sup>rd</sup>.
